Title: Soulstone of Maynard

Author: Baal

Upset at the world
around and the cowardess
of those claiming to
follow the teachings of
the Abyss, Maynard pled
with the Evil One for
guidance and strength in
these times. The Evil
One's response to
Maynard was that he
should join him in the
Abyss. So Maynard shed
his bonds with this relm,
and in an ancient rite
performed by the Dred
Belkin, Maynard was laid
to rest and his soulstone
placed upon this altar.
Once the time for death
has returned, and once
the true followers are
ready to serve the dark
lords of the Abyss, the
chosen one shall be
resurrected to reign once
more.

A curse upon those who
claim to be evil but do
nothing more than talk.
The Evil One has called
for blood, and has been
betrayed.
